

Exercise 3: Write your dream home blueprint

Transfer your “Possibility” column to the Column 2 on Page 4

Next, quantify exactly what you need to make that dream a reality. Simply say the dream followed by requires a...

For instance “working on cars” requires a garage space.

If you have not already answer specific such as,

1. Price or desired monthly payment.
2. Desired number of bedrooms
3. Desired number of bathrooms

Also contemplate the best location. For instance close to work. Also take into consideration other activities you may be partaking in on a daily basis such as dropping kids off at school.

List these items out as well.
