

OUTLINE FOR DISCUSSION: CLOSEST CONCEPT

Discussion in plenum

10 minutes (2+8)

The lead trainer asks the participants to reflect the next two minutes which concept of entrepreneurship is closest to them, in relation to their reasons for entrepreneurship, goals and entrepreneurial ideas, and why.

Then he/she asks the participants 1 by 1 of their preferred concept of entrepreneurship and why is that one closest to them. While they present, the assistant trainer writes on the FC paper the participant's statement as follows: PARTICIPAN NAME + CONCEPT.

When assistant trainer puts down all the choices, FC paper is put onto the wall next to the paper with the motives.

Discussion should assist participants to better think about which concept of entrepreneurship are they more prone to and why.

FC+paper, markers, crepe tape
