

TASK: MY CV

Individual work

160 minutes (120 + 40)

While the assistant trainer shares the **HO-4** handout to participants, the lead trainer gives instruction to the participants to take the next 120 minutes and create their own generic CV on A4paper.

After the expiration of 120 minutes, the participants need to, 1 by 1 and while seated, within a maximum of 2 minutes, list the data they inserted in their generic CV. At the same time, other participants are allowed to comment, ask questions, etc.

Participants will develop a CV creating skill and will develop their own CV.
